## **LATE SPRING 2009 PROMOTION**

**FROM THE U.K.'s LARGEST SUPPLIER OF VIOLIN FAMILY PRODUCTS**

**PLEASE READ THE FOLLOWING FOR REALLY GOOD NEWS**

In order to give you a short respite from part of the string price increases we have worked out some cost saving measures that enable us to pass on a short term price reduction. Whilst the manufacturers are not, in all likelihood going to reduce any prices, we are for a limited period prepared to offer a blanket 15% discount on **ALL** strings as shown in the price lists on the website and Draft 2009 -2010 Catalogue.

This is with the exception of **4/4 Violin Thomastik Dominant Medium sets, with an aluminium E Ball**, of which we have been able to buy a bulk shipment, enabling us to sell them at

**ONLY £28.50 a set, back to 2007-8 prices!!**

The Dominant Violin Set offer cannot apply to variants (ie soft/hard tension, Silver D, or Steel E, or loop end E) or fractional sizes as this bulk purchase was limited to the full size 135 Medium set only. The variants will of course benefit from the 15% discount rate however.

Regrettably we cannot offer any further discounts, as the 15% discount/ Dominant offers, reduces the strings to near cost price, and we really do need to make some profit, albeit small.

**To obtain this discount, please quote 'SUMMER 2009 OFFER' when ordering**

**This really will be a fairly short term promotion, unless we can negotiate any further price reductions. Providing string sales remain strong, we may be in a position to extend it. Watch this space!**

Regrettably we have to end with Errors & Omissions Excepted.
